About Me

I am extremely motivated to constantly develop my skills and grow professionally. I am confident that I will be an asset to the team with my skills.

Projects

Personal Website

Using React, Bootstrap, CSS and HTML to build a modern Website for my CV. Its also a Sandbox to test out my learned Skills so i am able to show them to companies where i want to work at.

To Do List

Using NodeJS, JavaScript/EJS, MongoDB/Mongoose to build a To-Do Website where the User can Add or Delete new To Dos. Future Features will include recommended Lists and a text field for custom lists.
